PRINCIPAL & VICE-PRINCIPAL's MESSAGE

Dear WJB Parents and Guardians,

Spring is finally here, and with it comes warmer temperatures, longer days, and, of course, plenty of puddles! As the snow melts and the ground softens, our playground has become quite wet and muddy in some areas. We kindly ask that you send an extra set of clothing with your child each day, including socks and pants, to ensure they stay comfortable throughout the school day. In the spirit of responsibility and learning, students who create messes in the school with wet or muddy clothing will also have the opportunity to practice using a mop to clean up after themselves. This helps reinforce the importance of taking care of our shared spaces and being mindful of our surroundings.

April is also a busy month filled with exciting activities and learning opportunities. Be sure to regularly check Edsby, our WJB Facebook page, and your child's backpack for important announcements about school upcoming events which include:

- **April 2** : Our Grade 7 class will be travelling to Carlton to spend the day at their Try-A-Trade Day.
- **April 2** : All Co-op Gift Card sheets and money are due. A huge thank you for all of your support with our fundraising efforts!
- **April 7 & 8** : Our WJB Chicken Adventure is coming to an end...and our chicks will be hatching! Stop by the school to see them before our farmer friend takes them before the Easter break to live on their farm.
- **April 8 & 9**: Our Grade 7 and 8 Band Students will be going with Mrs. Acorn and Ms. Tretiak to Regina for our Senior Band Trip! If your student is attending, please double (and triple) check the yellow information package sent home for all the details.
- **April 14**: Pancake and Sausage hot lunch sale hosted by the Gr. 5s. Order forms will be sent home closer to the day.
- **April 18-27**: No school (Easter Break).
- **April 29**: Gr6 immunizations.

As always, if you have any questions or concerns, please don't hesitate to reach out to the school office.

Thank you for your continued support in making our school a wonderful place for learning and growth!

Warm regards,

Ms. Tretiak
Principal

_____ 2 pancakes & 1 sausage - \$3

_____ 3 pancakes & 2 sausages - \$5

(Syrup will be provided.)

TRUNK SALE!!!

Book a parking spot to “sell your junk” out of the trunk of your car (or box of your truck). Think of this as a mini-garage sale. Pack your vehicle full of stuff, pull into a WJB parking spot, and sell whatever you can (you are responsible for your own selling, financial transactions, tables and the money you make is yours!).

Set-up must be completed by 8:15am when we close the parking lot to traffic****

The office team will be running a small canteen with lemonade, coffee, cold water, maybe a popsicle or two.

It's going to be a fun morning, and waaaay less work than you doing a full-on garage sale at your house.

One parking spot is \$20 (non-refundable), 2 spots is \$40. Payment must be received by office to secure your spot. We hope to fill all 30 spots! General public welcome to buy a spot.

TRUNK SALE!!!

SATURDAY, JUNE 7TH, 2025

8:30 A.M. – 12:00 NOON

Held in WJB's Parking Lot

Increasing risk of measles in Saskatchewan

Measles cases are occurring at an increasing rate worldwide and the risk of exposure to measles in Canada is growing. Measles is one of the world's most contagious diseases and can be very serious. It can affect all ages, but tends to be more severe in adults and very young children. Catching measles while pregnant can affect the baby.

Measles is spread by coughing, sneezing, or breathing infected air. The virus remains active and contagious in the air for up to two hours. The best way to protect yourself from measles is through vaccination. Two doses of a measles-containing vaccine is 97 per cent effective at preventing the disease. If not up to date on their vaccinations, anyone can spread and catch measles. Please check that everyone in your household is fully vaccinated for measles.

For children:

- Children should receive two doses of a measles-containing vaccine, such as the Measles-Mumps-Rubella-Varicella (MMRV) vaccine. The first dose is given at 12 months of age and a second dose at 18 months of age.
- If you do not know if your child received the measles vaccine or if they have had both doses, check their vaccination history on the [MySaskHealthRecord website](#) or app.
- For children under 14, learn how to access your child's information on the [eHealth website](#). Children 14 and over must register for their own account – the guide to help your register is also on the eHealth website.
- If you do not see their full vaccination history on MySaskHealthRecord, contact the [Public Health office](#) where your child received their immunizations. To book an appointment for your child to be fully vaccinated, connect with the closest Public Health office.

For adults:

- Adults' eligibility for publicly-funded measles vaccinations depends on [their date of birth](#):
 - Born 1970 and onwards – two doses
 - Born 1957 to 1969 – if travelling outside of Canada, one dose
 - Born before 1957 - no vaccination is required

WJB CHICKEN ADVENTURE: COUNTDOWN TO HATCHING DAY!

Exciting news, WJB community! Our **WJB Chicken Adventure** is well underway, and we have **12 eggs** nestled safely in the incubator, patiently waiting to make their grand entrance into the world.

Mark your calendars—**Hatching Day is set for April 7!** Everyone is eagerly anticipating the arrival of our fluffy new friends, and we can't wait to welcome them into our school family.

Once the chicks hatch, we invite you to visit our **Chick Nursery**, located at the front of the school. Stop by to see the adorable hatchlings, learn more about their development, and experience the joy of watching them grow. Stay tuned for more updates as we count down to the big day. Let's get ready to welcome our newest WJB members!
