HAVE A SAFE AND FUN SUMMER!!

PRINCIPAL & VICE-PRINCIPAL'S MESSAGE

Dear WJB Families,

It's hard to believe we're already in June! This school year has flown by, and what a fantastic year it's been. From classroom learning and hands-on activities to field trips and special events, our students have grown, explored, and accomplished so much. We are incredibly proud of everything our school community has achieved together.

As we approach the end of the year, there are still a few exciting adventures ahead! A big thank you to everyone who paid their school activity fees—your support makes these fun outings and events possible.

Here's a look at what's happening this month:

🎵 **Grade 6 Band Camp**

Our Grade 6 students will be heading off to Band Camp at Kinasao—an amazing opportunity to deepen their musical skills and enjoy some time outdoors.

🚗 **Grade 1 Farm Visit**

The Grade 1 class will be visiting a farm in Meath Park to learn all about life on the farm and where our food comes from.

🎨 **Grade 2/3 Trip to CJ's**

Students in Grades 2 and 3 will be burning off some energy at CJ's for a morning of fun and movement!

🌲 **Grades 6/7/8 Trip to Waskesiu**

Our middle years students are in for a great day of nature, exploration, and team building at beautiful Waskesiu.

🍀 **Whole School Outing to Little Red**

We're wrapping up the year with a full-school afternoon at Little Red! From Kindergarten to Grade 8, everyone will get to participate in outdoor games and activities—a perfect way to celebrate the end of the school year.

👶 **Kindergarten Open House**

We're looking forward to welcoming our newest students at our Kindergarten Open House on June 9th from 3:00-4:00 PM. If you know any families with incoming Kindergarten students, please spread the word!

🎓 **Celebrations and Farewells**

This month also includes our Pre-K and Kindergarten Celebrations and our Grade 8 Year-End Farewell—a time to recognize milestones and celebrate the bright futures ahead.

📅 **Important Reminder**

The last day of classes is Wednesday, June 25th, and report cards will be sent home that day and also available on Edsby.

Thank you to all of our students, families, and staff for making this such a successful and memorable school year. We hope you have a relaxing, safe, and fun-filled summer!

Did you know listening to books can help build your children's vocabulary and make them better readers? Often there is more than one way to sound out a word. If your child has heard a wide variety of words in literature, they will be better able to access their decoding skills and read more fluently because it is easier to read words you have heard before. Audiobooks also improve listening comprehension. Follow along with the written book or sit back and enjoy the scenery. Either way is beneficial.

Sora is a free service offered by our school division that lets you borrow digital content (like eBooks and audiobooks) anytime, anywhere.

Finding Sora:

1. Go to the SRPSD Bookmarks in Chrome. (top left hand corner of the screen for all students and staff.)
 2. Go to SRSD Website < Student < Sora
- Log in with your Google Username and Password.

Sharing some reading links parents might find useful to support their child's reading and math skills.

Learning begins with the family.

Before Reading

- Set aside time to read every day.
- Focus on making this your special time together. Turn off the television and cell phones.
- Help your child pick interesting books.
- Find a comfortable place to read.

During Reading

- Look at the pictures and talk about what you see.
- Discuss what you are reading with your child.
- Relax and have fun!

After Reading

Talk and ask questions about what you've read:

- What was your favourite part?
- What picture did you like the best?
- Does this story remind you of anything?
- Did you like reading this book?
- Do you want to read it again?

The family is a child's first teacher.

Keep Reading Interesting

- Read a variety of materials (books, comics, recipes, magazines, signs, flyers).
- Take turns and re-read favourites with your child.
- Visit the public library and get a free library card.
- Talk to your school librarian or teacher about reading material for your child.
- Be supportive and enthusiastic about reading.
- Remember: it is important that children see adults reading as well!
