PRINCIPAL & VICE-PRINCIPAL'S MESSAGE

February is Pink Shirt MONTH at W.J. Berezowsky Public School: Choosing Kindness Every Day

On Pink Shirt Day, our school community joins schools across Canada to stand together against bullying and celebrate kindness, inclusion, and respect. Students and staff are encouraged to wear pink as a visible reminder that everyone deserves to feel safe, accepted, and valued at school. Here at Berezowsky, we strive to help our students feel this way each and every day.

Pink Shirt Day also gives us an important opportunity to talk with students about everyday interactions. We help children understand the difference between being rude, mean, and bullying:

- Rude behaviour is usually unintentional and happens once (for example, interrupting or forgetting to say please).
- Mean behaviour is intentional but may happen only once or twice (such as saying something hurtful).
- Bullying is intentional, repeated behaviour that is meant to hurt someone and involves a power imbalance.

By learning these differences, students can better recognize their own actions, speak up when something doesn't feel right, and ask for help when needed.

Pink Shirt Day reminds us that kindness is not just something we wear for a day—it's something we practice every day. We encourage families to continue these conversations at home and to remind children that small acts of kindness really can make a BIG difference.

Together, we can create a school community at Berezowsky where everyone feels safe, respected, and included.

Sending love and hugs to you all during our Berezowsky Pink Shirt M
